

ADDENDUM

The *Malayan Nature Journal* sincerely apologises for an oversight in the acknowledgement of our contributors to the obituary tributes published in the MNJ Volume 77(4) December 2025.

We extend our deepest appreciation to Dato' Henry Barlow and Ar. John Koh Seng Siew, for their heartfelt tributes in memory of Dr. Jeremy Daniel Holloway and Dr. Ruth Kiew, respectively. Their kind words and personal recollections helped honour the legacies of these esteemed members of the natural history and towards the nature conservation cause.

We deeply regret that their contributions were not appropriately acknowledged in the published issue and sincerely thank both contributors for their understanding and valued contribution to the journal.
